However, based on a number of issues, including but not limited to state funding provided for these programs, dates and length of program may change from year to year. Please check with your school site in the fall for additional information.

2. Make-up days for staff development will be available on each of three days, April 6, May 13 and June 22. These days are established on days that give all teachers 2 options for making up any mandatory staff development days.

* Traditional and single-track year-round schedules share a common spring break.
